Re: Livestock Application and Reminders

Happy New Year!!

We hope everyone had a joyous holiday season and enjoyed their time with friends and family.

With the new year, it is time to get into Livestock mode! Here is your 2019 Livestock Show Application, you should have received a copy of our Rules and Regulations already. Applications and Project Books are due January 31st. Project book pages can be found online or picked up at the Extension Office. Everything you need for the Livestock Show can be found on our website:

https://tyrrell.ces.ncsu.edu/2018/12/70thlivestockshow/

Recently we sent out a Letter of Intent, that was not an application. Letters of Intent are our way of reminding you to start thinking about Livestock to ensure you have enough time to meet all requirements. You still need to turn in a signed application if you wish to participate in the 2019 Livestock Show.

If you have any questions, please contact the Extension Office.

Sincerely,

Lauren Nelson
