

Dear {_Family:FamilyName_} Family,

North Carolina 4-H utilizes an enrollment system for all new and existing 4-H members and volunteers. The online enrollment system is called [4HOnline](#). If you created a new family profile in the 4HOnline system during the 2022 program year – or – if you re-enrolled from a previous year – it is now time to update that record for the new 2023 - 2024 programmatic year.

If you have never created a family profile in the 4HOnline system and you would like to participate in North Carolina 4-H this year we ask that you take a few minutes and create your account. This letter provides guidance on the 4HOnline enrollment / re-enrollment process (See the section below for *Families who do not have an existing 4HOnline account*).

Please note that effective January 1, 2023, only youth members and 4-H volunteers who are enrolled in 4HOnline will be considered active members and / or certified 4-H volunteers. *4-HOnline enrollment is on-going. *Active status will be required for individuals to participate in 4-H member activities, events, programs, 4-H trips as well as for participation as a 4-H volunteer leader. NC 4-H operates on a calendar year and as such enrollment begins annually on January 1st.

For families with an existing [4HOnline](#) account. Login to your family profile, review and update youth member/volunteer information as needed. The system will walk you through each of the required sections. ***Note: Please select “Livestock (general)” as your child's PROJECT if they plan to participate in the 2023 Livestock Show. If your child is not participating in the show, please select a project that most resembles the club activities your child participates in. If your child's club is “Member at Large” this means they do not participate in a club, please select a project your child may find interesting.***

PLEASE ONLY SELECT CLUBS YOUR CHILD IS ALREADY A MEMBER OF, THIS IS NOT THE TIME TO ENROLL IN A NEW CLUB. CLUBS WITH LIMITED SPACE ARE STILL FULL.

When you have updated all of the information click “Enroll for 2023-2024” Your membership status will be updated and sent to your local 4-H office for approval. Youth profiles should take approximately 10 – 15 minutes to update and submit. Volunteer profiles will take 20 - 25 minutes which includes the annual required training video.
